Hi all,

Nice talking to everyone. To confirm, I will be exporting files that hit on the previously requested searches, but excluding images and multimedia files for the time being. The files that remain will be bates numbered starting with BARBOUNIS-000000001. Files will be exported in PDF format, along with native files for unprintable files (excel, power point, etc). These files will be accompanied by a metadata loadfile to preserve original metadata for your review platform. I will also provide standard txt files.

If there are any questions or any needed changes, please let us know.

Thank you.

Good Morning All,

I have a few scheduled calls this morning and another one at 2:30. Going by Seth's original availability, 1:30 this afternoon or after 4:15 would work best for us; I would like to have Shane on the call as well.

Thank you,

Hello everyone,

Rob at Cornerstone wants to set up a call for us all to talk about getting you Lisa's docs.

Do you guys want to confirm a time? I have a settlement conference tomorrow at 9:30 A.M., and another one at 3:30 P.M.

But I can do a call in between them - maybe around 1:30 - 3:00.

My 3:30 P.M., is a continuation of another conference so that call will be pretty quick. So I can also do tomorrow at 4:15 P.M. on...

Hey Seth,

I didn't see an email from you for the conference call with Dave etc. I just wanted to make sure it didn't slip your mind. This is something we can get taken care of rather quickly after we confirm some details.
